

# ACCESSIBILITY STATEMENT

**Effective Date:** 12/5/2025

**Last Updated:** 12/0/10/2025

At **Restore MyoHealth Myofunctional Therapy**, we are dedicated to providing a digital experience that is inclusive, equitable, and accessible to all individuals, including those with disabilities. We believe that every visitor should be able to access, navigate, and interact with our website in a way that is seamless, comfortable, and barrier-free.

This **Accessibility Statement** (“Statement”) is issued by **Restore MyoHealth LLC DBA Restore MyoHealth Myofunctional Therapy** (“Company,” “we,” “us,” or “our”) to reaffirm our commitment to digital accessibility and to outline the standards and practices we follow to support that commitment.

We aim to ensure compliance with the **Americans with Disabilities Act (ADA), Section 508 of the Rehabilitation Act**, and the **Web Content Accessibility Guidelines (WCAG) 2.1 Level AA**, which are widely recognized as the global benchmark for digital accessibility.

This Statement applies to all features, functionality, subdomains, and content available on our website located at **www.restoremyohealth.com** (the “Site”), including any affiliated platforms, mobile versions, or communication tools operated by the Company.

## I. COMMITMENT TO ACCESSIBILITY AND DESIGN STANDARDS

### 1.1 Intent and Scope.

The Company is committed to ensuring that all individuals, regardless of ability, are able to access, navigate, and interact with the Site in a manner that is effective, inclusive, and respectful of user autonomy.

### 1.2 Adopted Standards.

Wherever reasonably practicable, the Company strives to conform to the principles, success criteria, and user interface practices outlined under:

- **Web Content Accessibility Guidelines (WCAG) 2.1, Level AA**
- **Section 508 of the Rehabilitation Act of 1973**
- Global best practices in universal design and usability

### **1.3 Design Features and Accessibility Measures.**

In support of these goals, the Company has implemented and continues to develop the following:

- Keyboard navigability and logical tab order
- Screen reader compatibility and ARIA labeling
- High-contrast font and color palette options
- Descriptive alt text and captions for multimedia content
- Skip links, semantic HTML markup, and page region labeling
- Responsive design for mobile and assistive devices
- Regular code-level audits using accessibility validation tools

The above features are subject to ongoing refinement and user feedback.

---

## **II. ONGOING ACCESSIBILITY IMPROVEMENT POLICY**

### **2.1 Continuous Monitoring and Updates.**

The Company recognizes that accessibility is not a one-time achievement but an ongoing process. As such, we commit to:

- Conducting routine accessibility audits using both automated and manual tools
- Integrating feedback from disabled users and assistive technology users
- Updating design elements, plugin usage, and content delivery as necessary
- Providing developer training and policy compliance oversight internally

### **2.2 Known Limitations.**

While every reasonable effort is made to ensure full compliance, some third-party tools or legacy integrations may not yet be fully optimized. Users who experience limitations are encouraged to contact us so that we may provide timely assistance and pursue remedial measures.

---

## **III. REPORTING ISSUES AND REQUESTING ASSISTANCE**

### **3.1 Feedback and Reporting Process.**

If you encounter an accessibility barrier or usability issue on any portion of the Site, we encourage you to submit a report so that we may investigate and respond appropriately. Please include the following details:

- The **URL or page name** where the issue occurred
- A **description of the problem** or element that was inaccessible
- Your **browser, operating system, and assistive technology** used (if known)
- Screenshots, screen recordings, or device logs (optional but helpful)

### **3.2 Submission Method.**

Please direct all accessibility-related inquiries or support requests to:

**Accessibility Contact Email:** [restoremyohealth@gmail.com](mailto:restoremyohealth@gmail.com)

**Subject Line Recommendation:** “Accessibility Concern – [Insert Page Name]”

### **3.3 Response and Resolution Timeline.**

The Company shall:

- Acknowledge receipt of accessibility concerns within **three (3) business days**
- Review and investigate the reported barrier within **ten (10) business days**
- Implement corrective measures as quickly as practicable or offer a reasonable alternative method of access during remediation

User information submitted during this process shall be handled in accordance with the Company's [Privacy Policy](#), and no personally identifiable details will be used beyond the scope of technical support and communication unless otherwise required by law.

---

## **IV. LEGAL AND ETHICAL CONSIDERATIONS**

This Statement is intended to demonstrate good-faith compliance with applicable accessibility laws and digital equity frameworks. It does not constitute a warranty of full accessibility, but rather a declaration of standards, intent, and remedial responsibility.

To the extent permitted by law, the Company disclaims liability for third-party content or externally hosted materials that are not under its direct control. Where feasible, the Company will collaborate with third-party providers to encourage improved accessibility compliance.
